

LDM 100 | 100 m Laser distance meter

- Easy to use one person point and shoot system.
- IP54 water & dust protection.
- Metric & Imperial units of measurement.
- Easy to touch measure buttons on the front and side of the housing to perform single measurements & continuous tracking.
- Offers several different measurement functions that allow users to add and subtract values, calculate linear distance, surface area, total area and volume.
- Digital auto-level feature allows for a measurement to be automatically taken when the meter reaches a level position (0°), increasing accuracy when measuring long distances.
- Easy indirect height and length measurement using the auto-level feature to enhance user convenience in difficult measurement situations.
