

## **SDS-Plus M2 18 x 250 - 1 pc | SDS-Plus M2 drill bits - 2 cut**

- Breaker Points. 3 offset aggressive power breakers. These produce a "Demolition" effect and create micro cracks in the drilled material. Up to 25% FASTER.
- Centering tip. Ensures immediate spot drilling with pin point accuracy. Prevents skidding on smooth surfaces.
- Enlarged rebar chamfers. Prevents side tip damage when hitting rebar. Reduces the risk of the drill bit jamming when hitting rebar.
- Tapered shoulder design. Thinner shoulder towards drill tip for less friction providing for greater speed. Ideal for cordless hammers identified from its tapered shoulder geometry.
- Reinforced flute. High volume flute geometry for optimum dust removal. Reinforced flute design (thicker core) gives: - Full power transfer to the tip. - Lower vibrations. - Exceptional break resistance, less breakages and best durability.
- Made in Germany.
- FASTEST: New aggressive tip geometry with 3 chip breakers demolishes the concrete quicker and a tapered shoulder design minimises friction enabling the M2 drill bit to deliver faster drilling speed.

| SDS-Plus M2 18 x 250 - 1 pc |     |
|-----------------------------|-----|
| Diameter (mm)               | 18  |
| Pack quantity               | 1   |
| Quantity                    | 1   |
| Total length (mm)           | 250 |
| Working length (mm)         | 200 |
