

Diamond cup wheel 100 mm - 1 pc | Combi-segment diamond cup wheels

- All-rounder in applications: For quick grinding down of thick concrete layers.
- For levelling of concrete, granite and natural stone surfaces.
- For edge grinding applications e.g. grinding off high edges of concrete, granite, natural stone tiles.
- For roughening prior to covering with a new layer of coating.
- High quality diamonds and special soft bonding for low wear, especially in hard materials.
- Large openings for better dust removal and segment cooling.
