

## → Spare parts overview | 9000 / 9040

| No. | Description                                                                                         | Size         | Item No.      |
|-----|-----------------------------------------------------------------------------------------------------|--------------|---------------|
| 1   | Spring housing with handle, adjusting scale, fixing screw, adjusting spindle group and sliding ring | ½" – ¾" SP   | E9000.015.010 |
|     |                                                                                                     | 1" – 1 ¼" SP | E9000.025.010 |
|     |                                                                                                     | 1 ½" – 2" SP | E9000.040.010 |
|     |                                                                                                     | ½" – ¾" HP   | E9000.015.011 |
|     |                                                                                                     | 1" – 1 ¼" HP | E9000.025.011 |
|     |                                                                                                     | 1 ½" – 2" HP | E9000.040.011 |
|     |                                                                                                     | ½" – ¾" LP   | E9000.015.012 |
|     |                                                                                                     | 1" – 1 ¼" LP | E9000.025.012 |
|     |                                                                                                     | 1 ½" – 2" LP | E9000.040.012 |
| 2   | Valve insert with grooved ring                                                                      | ½" – ¾"      | E9000.015.020 |
|     |                                                                                                     | 1" – 1 ¼"    | E9000.025.020 |
|     |                                                                                                     | 1 ½" – 2"    | E9000.040.020 |
| 3a  | Screwed joint set<br>2x threaded nozzles<br>2x union nuts<br>2x seals                               | ½"           | E9000.015.030 |
|     |                                                                                                     | ¾"           | E9000.020.030 |
|     |                                                                                                     | 1"           | E9000.025.030 |
|     |                                                                                                     | 1 ¼"         | E9000.032.030 |
|     |                                                                                                     | 1 ½"         | E9000.040.030 |
|     |                                                                                                     | 2"           | E9000.050.030 |
| 3b  | Screwed joint set, lead-free<br>2x threaded nozzles<br>2x union nuts<br>2x seals                    | ½"           | E9000.015.031 |
|     |                                                                                                     | ¾"           | E9000.020.031 |
|     |                                                                                                     | 1"           | E9000.025.031 |
|     |                                                                                                     | 1 ¼"         | E9000.032.031 |
|     |                                                                                                     | 1 ½"         | E9000.040.031 |
| 3c  | Screwed joint set, stainless steel<br>2x threaded nozzles<br>2x union nuts<br>2x seals              | 2"           | E9000.050.031 |
|     |                                                                                                     | ½"           | E9040.015.032 |
|     |                                                                                                     | ¾"           | E9040.020.032 |
|     |                                                                                                     | 1"           | E9040.025.032 |
|     |                                                                                                     | 1 ¼"         | E9040.032.032 |
| 4   | Pressure gauge plugs ¼" with O-ring (5x)                                                            | 1 ½"         | E9040.040.032 |
|     |                                                                                                     | 2"           | E9040.050.032 |
|     |                                                                                                     |              |               |
| 5   | Screen insert 160µm                                                                                 | All          | E9000.015.040 |
|     |                                                                                                     | ½" – ¾"      | E9000.015.050 |
|     |                                                                                                     | 1" – 1 ¼"    | E9000.025.050 |
| 6   | O-ring filter screen cup (10x)                                                                      | 1 ½" – 2"    | E9000.040.050 |
|     |                                                                                                     | ½" – ¾"      | E9000.015.060 |
|     |                                                                                                     | 1" – 1 ¼"    | E9000.025.060 |
| 7a  | Filter screen cup from plastic with O-ring                                                          | 1 ½" – 2"    | E9000.040.060 |
|     |                                                                                                     | ½" – ¾"      | E9000.015.070 |
|     |                                                                                                     | 1" – 1 ¼"    | E9000.025.070 |
| 7b  | Filter screen cup from gunmetal, lead-free with O-ring                                              | 1 ½" – 2"    | E9000.040.070 |
|     |                                                                                                     | ½" – ¾"      | E9000.015.071 |
|     |                                                                                                     | 1" – 1 ¼"    | E9000.025.071 |
| 7c  | Filter screen cup, stainless steel with O-ring                                                      | 1 ½" – 2"    | E9000.040.071 |
|     |                                                                                                     | ½" – ¾"      | E9040.015.072 |
|     |                                                                                                     | 1" – 1 ¼"    | E9040.025.072 |
| 7e  | Filter screen cup from gunmetal, lead-free with O-ring and 1/4" hole with plug and O-ring           | 1 ½" – 2"    | E9040.040.072 |
|     |                                                                                                     | ½" – ¾"      | E9000.015.073 |
|     |                                                                                                     |              |               |
| 8a  | Pressure gauge 0 – 10 bar                                                                           | All          | E9000.015.080 |
| 8b  | Pressure gauge 0 – 25 bar                                                                           | All          | E9000.015.081 |
| 8c  | Pressure gauge 0 – 4 bar                                                                            | All          | E9000.015.082 |
| 9   | Drain valve 1/4"                                                                                    | All          | E9000.015.090 |
