# LiveLink switch coupler

EAN 4007841013660

## Functional description

The LiveLink DALI switch coupler integrates DALI switches or conventional switches into the LiveLink System. If you want to assign a specific lighting scenario to a switch, you click it in the app to select it. The switch is then given a brief press. It is now connected up with the chosen lighting scenario. Up to 4 switches can be connected per switch coupler.
