### Functional description

Are you looking for an exclusive sensor-switched light for a prestigious exterior? The L 170 S outdoor sensor-switched light combines high-quality stainless steel in classic lantern design with intelligent technology. It can tell whether anyone is present in the sensor's detection zone, automatically switching light extremely energy-efficiently ON and OFF again. And it's also extremely energy-efficient. In a nutshell: added value, more convenience, greater safety and security and maximum energy-savings.
