

|   |                   |                      |
|---|-------------------|----------------------|
| PRODUCT NAME  |                   | CSKF368L7            |
| Indoor unit   |                   | CAF368C5T            |
| Outdoor unit  |                   | GRF368L7T            |
| Features  | Units             | Cooling              |
| Cooling/Heating capacity  | kW                | 10,60                |
| Energy label class  | ABCDEFGF          | A                    |
| E.E.R.  | (kW/kW)           | 3,21                 |
| Air flowrate Indoor (l.-m.-h.)                                  | m <sup>3</sup> /h | 1.320-1.680-1.920    |
| Dehumidification  | l/h               | 3,5                  |
| Fan speeds (Indoor / Outdoor)                                   | n°                | 3 + Auto/ 2-3 (Auto) |
| Sound pressure Indoor (h.-m.-l.)                                | dB(A)             | 53-52-49             |
| Sound pressure Outdoor (h.)                                     | dB(A)             | 50                   |
| Power supply  | V/Ph/Hz           | 400/3N/50            |
| Power input   | kW                | 3,30                 |
| Running consumption   | A                 | 6,60                 |
| Annual energy cons.- cooling mode (500h) - Directive 2002/31/CE | kWh               | 1.650                |
| Compressor type   |                   | Rotary               |
| Refrigerant type  |                   | R410A                |
| Liquid pipe diameter  | mm(inch")         | 9,52(3/8")           |
| Gas pipe diameter   | mm(inch")         | 19,05(3/4")          |
| Max. pipe lenght with gas standard charge                       | m                 | 7,5                  |
| Max. pipe lenght with gas additional charge                     | m                 | 40                   |
| Max. height between units (Outdoor on top)                      | m                 | 25                   |
| Max. height between units (Indoor on top)                       | m                 | 25                   |
| Net weight Indoor (with grille) / Outdoor                       | Kg                | 27/104               |
| Net dimension Indoor (with grille) (H./W./D.)                   | mm                | 368x1.150x860        |
| Net dimension Outdoor (H./W./D.)                                | mm                | 1.235x940x340        |

The technical data here indicated are in compliance with the European standard EN14511 - Directive 2002/31/EC
