

Product Information

Name:

Flush type wall DCL sockets

Technical Data: 6A 250V~

Frequency: 50Hz

Colour: Black

Main material: PC (Halogen free)

IP-Class: IP20

Working temperature: -25°C to +60°C

Installation temperature: -5°C to +25°C

Fire hazard test: 650°C/850°C (IEC60695-2-11)

The product complies with the standard(s):

EN61995-1: Standard

EN61995-2: Standard sheets

The product is in conformity with the provisions of the following

European

directive(s):

LVD, RoHS, WEEE

Certificate(s): CE, Semko

Product info:

DCL is a new plug and socket system for the connection of fixed lighting equipment, related standard EN 61995 valid from 2009-08-24.

Technical info:

Flush, square DCL sockets for wall installation boxes and junction boxes. Collection thermoplastic has adopted newly developed operation. Fast connections for rigid conductors is up to 2.5 mm². Support of non - leading composite material. Fits into all types of cans.

ETM714P: Fixing c-c 60, 67, 70 mm for mounting, External dimensions: 95 x 95mm

E-No.	Type	Description/Remark
	U714	Flush type DCL sockets, 95x95
