Safety related parts of the user instructions shall be written in a language acceptable to the country where the product is to be used.

According to the principle of presumption of conformity, this certificate, which includes production control, constitutes support for an EC Declaration of Conformity and CE marking according to the Low Voltage Directive 2014/35/EU.

This presumption can expire before end of validity of this certificate due to new issued Standard or Amendment and changes within the EU legislation.

This certificate replaces previously issued certificate ref. No. 1619956 dated 25 November 2016, 1806170 dated 5 February 2018, SE-S-2001614 dated 29 May 2020. A new certificate has been issued on account of updating the standard and merging three certificates into one.
